

**July Events:**

**No. 53 / 2010**

## **Conference: “Technology trends in flexography and rotogravure”**

July 1st 2nd  
Mexico City, DF.

Comexi Group will attend the Conference about the technology trends in flexography and rotogravure to take place from 1st to 2nd July at Mexico City, DF.

The purpose of this seminar is to gather different flexo printing and rotogravure manufacturers in order to discuss the new technological advantages to make our industry more competitive in view of the new world economic situation..

Comexi Group will talk about the eComexi solution under the theme “Today’s solutions for Tomorrow’s demands” and printing and finishing as added value. During the speech, we will provide insist on different solutions to increase added value of the packaging by using EB and UV curable inks and coating with no VOC emissions, for coating, lacquering and special effects for the packaging.

### **About Comexi Group – <http://www.comexigroup.com>**

Comexi Group is a leading company as a machinery supplier of the flexible packaging industry. Family-run company that started its activities in 1954, now it’s an industrial global supplier with more than 400 employees and 2 factories: one in Spain near Barcelona and the other located in Rio Grande do Sul in Brazil. Our four brands devote their best knowledge to offer high quality, state-of-the-art technology on flexographic presses (Comexi brand), solvent and solventless lamination and coating (Nexus Comexi brand), slitting and rewinding (Proslit brand) and logistics and environmental management for our industry (Enviroxi brand)
